I. School Identity

1. Background & Heritage

K C Model School and College (KCMSC) is a renowned educational institution near Uttara, at 275, Prembagan, Dakshinkhan, Dhaka-1230. It was founded in 2014 by a leading industrialist of Bangladesh, **Al-Hajj Md. Khashru Chowdhury (CIP)**, founder of Nipa Group. He dreamt of making it an ideal institution that would produce citizens capable of meeting the challenges of the 21st century.

KCMSC is housed in a magnificent ten-storied building accommodating students ranging from Play Group to Grade Twelve. It offers both Bangla and English Versions of National curricula of education. KCMSC started its auspicious journey on 1st January 2015 with 2200 students.

The mission of KCMSC is to enable students to explore their full potential physically, mentally, and spiritually to make them responsible global citizens.

Address: House 275, Prembagan Road, Khilgaon, Dhaka-1230

Phone: 028999685 Mobile: 01793560466

Email: kcmmodelcollege@gmail.com

Website: www.kcmssc.edu.bd

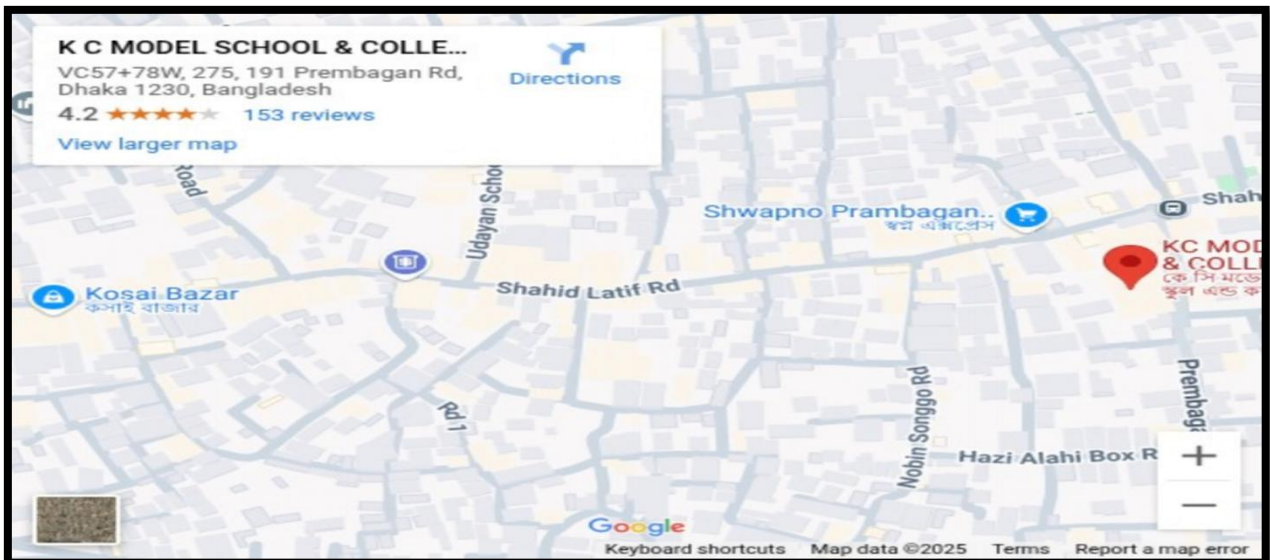

2. Our Mission & Vision

Our Mission

KCMSC empowers students from Play Group to Grade Twelve to discover and maximize their physical, mental, and spiritual potential. Through rigorous national curricula (Bangla & English), innovative teaching in digitally-enhanced environments, and guidance from our expert faculty, we cultivate responsible global citizens with a lifelong passion for learning.

Our vision

To be the premier institution in Bangladesh, realizing our founder's dream of nurturing capable, responsible global citizens equipped to excel in the 21st century.

KC Model School and College

Founder & Chairman's Message

The area stretching from the Bishwaroad region of Dhaka North City Corporation to the banks of the Turag River has long been divided into east and west by a railway line. While a large population resides on the eastern side of the tracks, the area had remained neglected and deprived of basic civic amenities. There was a complete lack of higher educational institutions—even a good school or college was unavailable. Moreover, the area lacked modern hospitals or any significant infrastructure. The youth of this region were plagued by various social problems such as crime, drug addiction, and eve-teasing, which had severely deteriorated the social environment.

Having lived in this area for a long time, I felt a sense of responsibility towards the local residents and was compelled to take initiative. I made a firm decision to establish a modern educational institution and hospital. My wife, Nipa Chowdhury, also encouraged me greatly in this noble endeavor. In 2012, I began construction of the KC Model School and College building on a 39-decimal plot of my own land adjacent to my residence. Within three years, the construction was completed.

Subsequently, the institution officially commenced its journey on January 1, 2015, with approximately 2,200 students. In its very first year, the school earned recognition for its academic excellence, co-curricular activities, and unique initiatives, drawing the attention of noted personalities. As a result, in its inaugural year, the Ministry of Education granted approval for offering classes up to grades IX and X. In the following year, 2016, the institution received permission to offer classes in grades XI and XII. This expansion made it possible to provide education from pre-primary level up to grade XII within a very short span—a recognition that is exceptionally rare for any newly established institution.

As an ideal educational institute, KC Model School and College provides all modern facilities necessary for advanced and quality education. My sincere hope is that students here will achieve success by acquiring time-relevant and effective education, and grow into global citizens.

I firmly believe that, under the visionary guidance of the Chief Advisor, the efficient leadership of the Principal and Vice Principals, the dedicated teaching of the faculty, the practical and creative educational approach, and the thoughtful support of the school's governing body, KC Model School and College will continue its legacy of excellence and move forward with growing success and prosperity.

I am delighted with the relaunch of the institution's website in a more appealing and modern format. I extend my heartfelt congratulations to everyone involved in this endeavor.

Founder & Visionary Leader

Nipa Chowdhury

Founder and **Vice Chairman**
KC Model School and College

Nipa Chowdhury
Founder and Vice Chairman
KC Model School and College

Founder & Vice Chairman's Message

Education does not merely mean memorizing textbook knowledge. True education is the ability to acquire knowledge from all surroundings - knowledge that brings benefit to the individual and inspires a mindset to share one's refined values with others.

In the words of the great poet Rabindranath Tagore:
"The education of humanity is the ultimate education; everything else is subordinate to it."

KC Model School and College, a modern educational institution located in Uttara, has already earned wide recognition through its continuous achievements. As part of its journey toward further progress, the school's website has been redesigned in a more dynamic and user-friendly format, empowered by the advancements in technology. This initiative aims to ensure that people from any corner of the world can stay informed about our activities.

The more educated a nation is, the more developed it becomes. The current government's long-term vision and implementation in the fields of education and technology are playing a pivotal role in advancing the country. In today's world, quality educational institutions are essential for building a proud and prosperous nation.

KC Model School and College is a self-reliant and visually appealing institution, enriched by an efficient management team and a group of young, talented teachers. We remain uncompromising in our commitment to educational excellence.

Finally, as the Founder Vice Chairman of this institution, I extend my heartfelt best wishes for the continued success of KC Model School and College.

Chief Advisor

Brigadier General A.S.M. Mushfiqur Rahman (Retd.), SPP, psc
Chief Advisor, KC Model School and College

Former Director of Education, Bangladesh Army

Former Principal, RAJUK Uttara Model College and Pabna Cadet College

**Brigadier General A.S.M. Mushfiqur Rahman
(Retd.), SPP, psc
Chief Advisor, KC Model School and College**

Chief Advisor's Message

What Should Education Be in the Era of Globalization and Unprecedented Technological Advancement?

There is no universally accepted or simple answer to this question. However, in my view, education today should be learner-friendly, life-oriented, humane, science-driven, and holistic. Only such an approach to education can nurture a future generation that is visionary, skilled, and enriched with human values. KC Model School and College is working precisely toward this goal. The institution's various initiatives and activities have already drawn the attention of many distinguished individuals.

In a remarkably short span of time, the reputation and recognition of this institution have extended beyond the Dhaka metropolis to several regional towns. One of the institution's core strengths is the continuous professional development of its teachers, who are selected based on merit and experience. Their teaching quality, along with their attitude and behavior toward students, is regularly monitored and guided to ensure excellence.

From the moment one enters the premises, the orderly, clean, and student-friendly environment of the institution becomes evident.

The integration of various club activities into the academic framework clearly reflects our aim to make learning more diverse and well-rounded. All major yearly activities are organized in an academic calendar, allowing teachers, students, and parents to plan ahead for holidays, events, and extracurricular engagements.

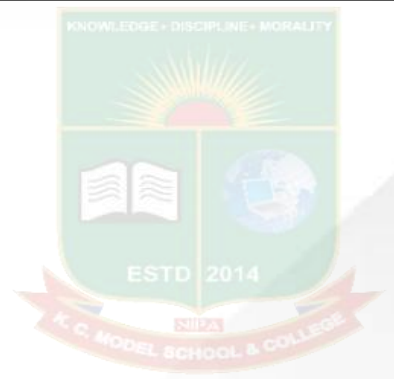

The financial management of the institution is handled with efficiency. As a result, even with relatively low tuition fees, KC Model School and College ensures high-quality education while successfully organizing vibrant national celebrations, fresher's receptions, annual sports events, and various other activities.

The institution's positive and creative initiatives for developing the intelligence, awareness, and creativity of new students have already earned praise from learners, guardians, and education enthusiasts alike.

In addition, our teachers play an exemplary role in character building and intellectual development of students by sharing their knowledge and experience.

I extend my heartfelt gratitude to all students, guardians, and well-wishers for their sincere cooperation, and to all teachers, officials, and staff members for their continuous dedication. It is through their collective efforts that KC Model School and College continues to progress steadily, overcoming all obstacles along the way.

Principal

Professor Md. Abdul Baten
Principal, KC Model School and College
Former Principal, Mirzapur and Barisal Cadet Colleges

Professor Md. Abdul Baten
Principal, KC Model School and College

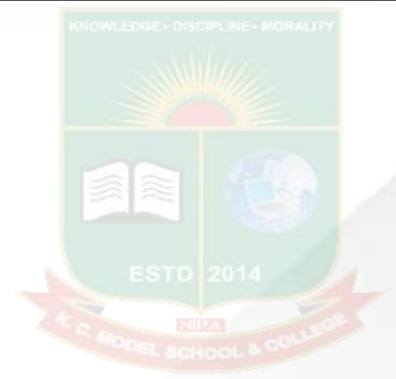

Principal's Message

Located just half a kilometer from Hazrat Shahjalal International Airport in Dhaka, **KC Model School and College** is a modern and distinctive educational institution established in its own ten-story building in Dakshinkhan. Education is a fundamental right of every human being—it enlightens individuals, helps unlock hidden talents, and plays a vital role in building a just society, a prosperous nation, and a better world.

Inspired by this philosophy, prominent industrialist, social worker, and education enthusiast **Mr. Md. Khasru Chowdhury (CIP)** established KC Model School and College in 2014 in Dakshinkhan, near Uttara, Dhaka.

Although Dakshinkhan is a growing and developing part of Dhaka metropolis, modern facilities have not yet reached every doorstep. Almost all the renowned schools, colleges, and universities in and around Uttara are situated on the western side of the Airport–Tongi railway line. In this context, KC Model School and College—located on the eastern side of the railway line—is expected to make a significant contribution to the expansion of education and the development of enlightened citizens in this area and across Bangladesh. The institution offers instruction in both English and Bangla versions. However, special emphasis is placed on making all students proficient in English and in co-curricular activities. This ensures that students are prepared to adapt to any environment—both at home and abroad—and can represent themselves confidently and effectively when needed. Heartfelt greetings and best wishes to all teachers, officers, staff members, guardians, and well-wishers of the institution.

Vice Principal (Sr.)
KC Model School & College

Vice Principal's Message

The first step into school is that giant step forward where children embark on the great adventure of discovering the wide world outside and the depth of the world within. As we hold their little fingers and guide the young ones forward, we realize our responsibility to maintain their curiosity, ignite their minds to pierce the skies, and help them discover the world of books and the richness of experience - to ponder the "mystery of birds in the sky, the bees in the sun, the flowers on the green hill," and today, master the magic of technology and the limitless span of cyberspace.

We at **KC Model School & College** believe that education is a process of awakening individual potential to creative knowledge, but more importantly, enlightening students with the wisdom that they must "never put a price tag on their heart and soul." A good career is important, but a good character is supreme. We believe that individuals are like atoms that hold tremendous power within to serve as agents of change. Thus, we are confident that our students, enriched with a sense of high morality and social responsibility, will become makers of a virtuous society.

In a world of stiff competition, strife, and unrealistic aspirations, it is essential for us as educators to help children understand that challenges are common to all. Problems need to be faced courageously, with conviction in our principles and confidence in our inner strength and dreams.

Vice principle Wide Vision College, Uttara, Dhaka.

Salma Fouzia Noor
Vice Principal (Jr.)
KC Model School & College

Vice Principal's Message (Jr.)

Assalamu Alaikum,

Education is the kind of knowledge that not only brings behavioral changes in a person but also awakens the latent talents within, enriching their mind, intellect, and creativity. The evolution of education is shaped by the needs of the time.

In this era of artificial intelligence, it is essential to introduce a modern, global, progressive, and science-based curriculum to maintain continuity in student learning. Through research-based education, students will become inventors. Their innovations will make new necessities easily accessible.

At our **KC Model School**, the **Junior Wing** is guided by this very vision. Alongside conventional education, we focus on the needs of the present generation and tailor our teaching accordingly.

Our **Pre-Primary** and **Primary Sections** are exceptionally modern, well-structured, and vibrant -truly a delightful haven for children. We believe that today's children are the future leaders of tomorrow. These very children will one day lead the world. With the hope that the fragrant name of **KC Model School** will spread its aroma across the globe, I conclude here.

- **Religion:** Muslim (95%), Hindu (5%), Christian/Buddhist (0%)
- **Ethnic Minorities:** 0%

6. Facilities:

- Air-conditioned Computer Lab (50+ PCs, high-speed internet)
- Science Labs (Physics, Chemistry, Biology and Math)
- Library (10,000+ books, digital resources)
- Rooftop Garden (Botany projects)
- Sports Club (Cricket, Football, Basketball courts)
- KC information and Communication Club (KCICT) (Robotics, Coding)
- Music Club (Instruments: piano, guitar, tabla)
- Scout Troop (Community service, leadership)
- Day Care room
- Conference Room
- Alumni Association
- Language Club

•Rooftop Garden (Sustainability Highlight)

To bring greenery to the city of Dhaka, rooftop gardens are essential. With the aim of implementing government directives, our institution has created beautiful and eye-catching gardens on the rooftops of four ten-storied buildings.

Along with almost all types of fruit-bearing trees, vegetables are also being cultivated here. There are also native and foreign flowering plants.

Although it's not possible to meet the entire demand for gardens required to gain practical agricultural knowledge in Dhaka city, our rooftop garden is successfully providing a good amount of education in this regard.

Our students themselves are planting and taking care of the trees on the roof.

The rooftop garden is not only helping students enhance their knowledge about plants but is also contributing to maintaining the balance of oxygen and carbon in nature.

7.Co-curricular Activities

Co-Curricular Excellence: Junior & Senior Wings

Directed by our expert Cultural Department

Both wings thrive under dedicated teachers who foster:

- Performing Arts: Dance, Music, Poetry Recitation, Acting
- Speech & Expression: Extempore/Prepared Speeches, Debates
- Cultural Traditions: Hamd, Na'at
- Visual Arts: Drawing, Painting (themes: Liberation War, Bangladesh's seasons)
- Practical Skills: Paper Cutting, Craft Making, Cooking (*roti*-making)

Junior Wing Highlights

Students radiate joy while singing Bengali rhymes like "আমরা সবাই রাজা" (*Amra shobai raja...*), building confidence.

Young artists achieve exceptional skill under our art teachers' guidance, expressing imagination through vibrant, thematic artwork.

In co-curricular classes, students learn to create science-related projects.

They are also taught about:

- **Traffic rules**
- **Ways to raise awareness about personal health**
- **Designing posters to prevent dengue mosquitoes**
- **Self-protection during the COVID-19 pandemic**

Cultural Education: Cultivating Heritage and Character

•Age-Appropriate Facilities

1. KC Model School and College follows a structured age-based class division to ensure appropriate academic development.
2. Children aged between 3.5 to 4.5 years are admitted to the Playgroup section.
3. The age group for Nursery or KG is set between 4.5 to 5.5 years, preparing students for primary education.
4. From Class 1 to Class 5, students are grouped progressively by age, starting from 5.5 to 10.5 years.
5. This age-wise division helps maintain a balanced and age-appropriate learning environment for all students.

Age Group	Class/Grade
3.5 – 4.5 years	Playgroup
4.5 – 5.5 years	Nursery / KG
5.5 – 6.5 years	Class 1
6.5 – 7.5 years	Class 2
7.5 – 8.5 years	Class 3
8.5 – 9.5 years	Class 4
9.5 – 10.5 years	Class 5

VII. Performance & Recognition

10. Academic Results (Board/National Exams)

Academic SSC Results – Year 2024

Academic HSC Results – Year 2024

11. Achievements & Awards:

1. National ICT Olympiad Award Winner-2025

Winners:

1. Aymanur Rahman – Class 2, English Version - Champion
2. Syed Adiyar Ahsan – Class 3, English Version -First Runner-Up
3. Khan Jarif Al Nasib – Class 8, English Version - First Runner-Up

2. National IQ Olympiad Winner-2025

Winners:

1. Nabih Nur – Class 3, English Version – Medal of Excellence
2. Nabila Nur – Preschool(KG), English Version –Medal of Excellence

3. PBGSI Government Grant Recipient

KC Model School and College has been awarded the **PBGS**(Performance Based Grants to Secondary Institutions) **grant** under government funding initiatives, in recognition of its commitment to quality education and institutional development.

11. Achievements & Awards: (continue.....)

The Primary Scholarship Examination is a prestigious national-level assessment conducted to identify and support meritorious students at the end of their primary education. It not only boosts academic confidence among students but also reflects the overall educational standard of an institution. Achieving scholarships in this examination has a profound impact on the institution. It enhances the school's reputation, encourages a competitive academic environment, and strengthens trust among parents and stakeholders. Consistent scholarship results indicate dedicated teaching, effective classroom strategies, and a student-friendly learning atmosphere. For any institution, these results are a matter of pride and a testament to its commitment to excellence.

We are proud to present the outstanding performance of our students in the **2022 Primary Scholarship Examination**. Their success is a reflection of our school's dedication, quality teaching, and continuous academic support.

Scholarship Achievement Overview

- **Total Number of Scholarship Holders: 12 Students**
- **Talent Pool Category: 9 Students**
- **General Grade Category: 3 Students**

Highlights

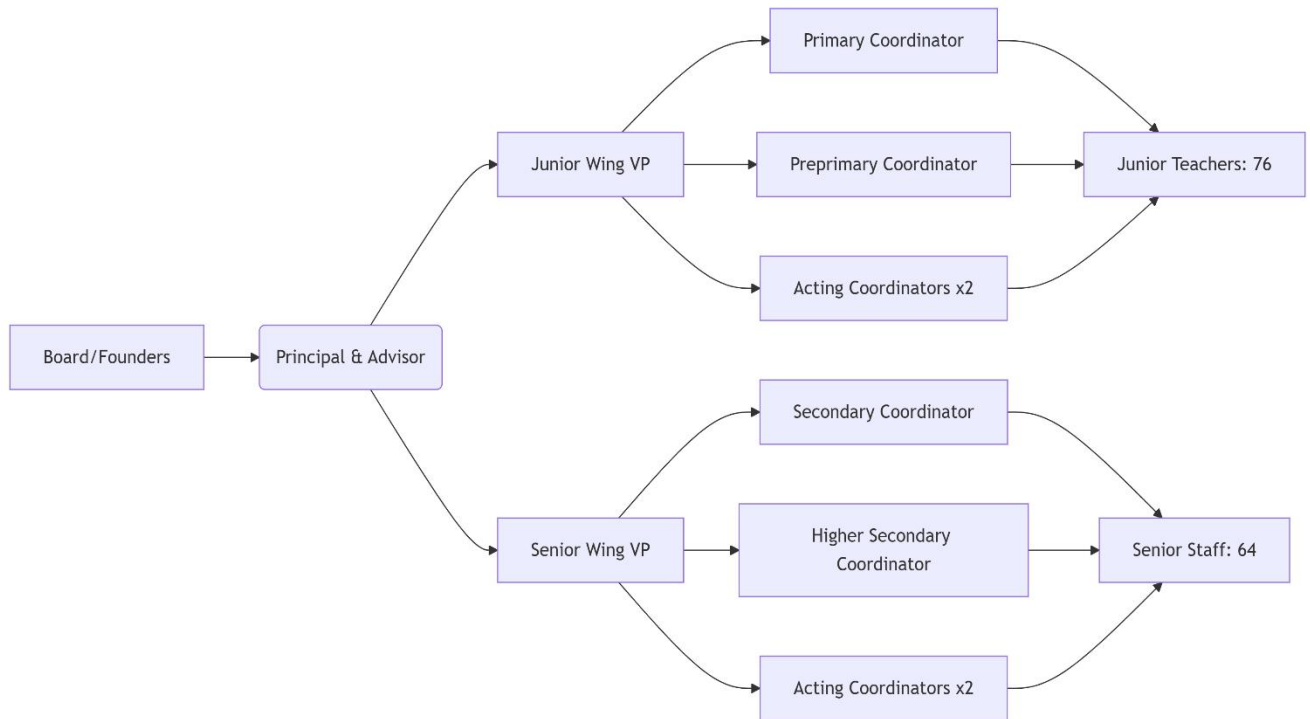

- All the students showed exceptional performance in subjects like Mathematics, English, and General Science.
- Teachers conducted regular mock tests, provided special guidance, and ensured one-on-one support where needed.
- Parents were actively involved, and regular communication was maintained throughout the preparation period.

VIII. Governance & Community

12. Institutional Structure (Org Chart)

Visualizing Leadership & Accountability

This section presents a formal organizational chart depicting:

Hierarchy of Authority:

1. Reporting lines (e.g., Teachers → Coordinators → Vice Principals → Principal)
2. Division of responsibilities between Junior/Senior Wings

Key Components:

•**Governance Tier:** Board/Founders → Principal → Advisors

•**Administrative Tier:**

Junior Wing: VP + Coordinators → Teachers

Senior Wing: VP + Coordinators → Lecturers/Senior/Asst. Teachers

•**Support Departments:** Cultural, Academic, Administrative staff

13. School Associations & Committees

Collaborative Frameworks for Holistic Excellence

KC Model School & College empowers community-driven growth through structured participatory bodies:

Governance & Strategy

- School Management Committee (SMC)**

Strategic oversight of institutional planning, policy formulation, and administrative alignment.

- Parent-Teacher Association (PTA)**

Fosters home-school partnerships for student well-being through feedback forums and joint initiatives.

- Student Council**

Amplifies student voice in co-curricular programming, leadership development, and event execution.

Academic & Operational Excellence

- Academic Committee**

Curriculum innovation, pedagogical quality enhancement, and faculty development.

- Admission & Promotion Committee**

Manages equitable enrollment processes and merit-based academic progression.

- Discipline Committee**

Cultivates respectful conduct through restorative guidance and behavioral standards.

Cultural & Co-Curricular Vitality

- Cultural Committee**

Curates' heritage festivals, artistic competitions, and national celebrations.

- Sports Committee**

Coordinates inter-school athletics, training modules, and physical literacy programs.

- Health & Safety Committee**

Ensures campus well-being via hygiene protocols, emergency readiness, and wellness advocacy.

14. Alumni Association & Network

We have an Alumni Association to build a strong network and foster relationships between former and current students, offering guidance and inspiration for future growth. We keep former students connected with their alma mater. The association organizes reunions, career talks, and mentorship programs, allowing alumni to contribute to the growth of the school and inspire current students. Through continued engagement, our alumni play a meaningful role in preserving the school's legacy and building a strong, supportive community.

Alumni Association Members : Total active Members: 50

1. MD. ABIR HASAN

Department: Information and Communication

Engineering (ICE) Session: 2019-20 Institute:

University of Rajshahi.

"Always proud to guide and support the future talents of KC Model School and College."

X. Conclusion

17. Our Commitment: *"Rooted in Heritage, Ready for the Future"*

KC Model School & College unifies excellence through its distinct dual-wing framework, seamlessly integrating specialized education for all age groups. The Junior Wing fosters foundational growth in a bilingual environment, while the Senior Wing cultivates advanced academic rigor through diversified teaching expertise. Together, under unified leadership and a shared commitment to holistic development, we empower students to thrive in both Bangla and global contexts, preparing future-ready leaders rooted in cultural integrity.
